- Passive 3-way, bass-reflex full-range karaoke loudspeaker
- 10" low-frequency woofer, dual 3" high-frequency tweeters and dual 3" mid-range tweeters
- Specially designed low-frequency woofer fitted with demodulating aluminum ring for high-power handling, low distortion and minimum power compression
- Rated power of 200W and sensitivity of 90db offer unmatched output and sound quality
- JBL signature karaoke tuning provides excellent vocal and bass performance
- Sleek, stylish and modern design that is well-suited for a wide array of interior room designs
- PSL (Passive Sound Lighting) Technology illuminates the JBL Entertainment logo

Built with JBL's standard of excellence, the Pasión 10 is a passive 10" full-range karaoke loudspeaker that is designed for sound reinforcement for karaoke applications. In addition to superb sound quality, the Pasión 10 features a premium, sleek design that fits a variety of commercial KTV venues and restaurant entertainment rooms. Adding to the stylish form factor, the full-range speaker features an illuminated JBL Entertainment logo, which allows venue owners to showcase the JBL brand and system quality. Altogether, with outstanding vocal and bass performance and striking aesthetics, the JBL Pasión 10 is perfect for a variety of KTV applications and provides karaoke-goers a memorable karaoke experience.

FEATURES

SIGNATURE JBL KARAOKE SOUND

Because superior sound quality can elevate a KTV experience, JBL has emerged as the trusted leader in the karaoke-speaker market. The Pasión 10 continues JBL's KTV heritage with JBL's signature karaoke tuning. Providing excellent vocal and bass performance, karaoke-goers will clearly hear every note while singing their favorite songs.

PREMIUM COMPONENTS FOR EXCELLENT PERFORMANCE

From crystal-clear highs, to powerful accurate lows, the Pasión 10 delivers premium sonic performance for KTV applications. The speaker features four 3" high-efficiency tweeters that provide excellent high and mid-range frequency response, while the specially-designed 10" woofer is fitted with a demodulating aluminum ring for high-power handling, low distortion and minimum power compression.

STYLISH APPEARANCE AND DESIGN

Featuring a premium, sleek form factor, the Pasión 10 is designed to fit a variety of karaoke venues including

commercial KTV facilities and restaurant entertainment rooms. The full-range speaker also features PSL (Passive Sound Lighting) Technology, which illuminates the JBL Entertainment logo and allows venue owners to showcase the JBL brand and system quality.

UNCOMPROMISING QUALITY

Not only is the Pasión 10 constructed with high-grade components and materials, the loudspeaker also endured JBL's rigorous testing to ensure it will withstand the test of time. With JBL's standard of audio excellence and durability, the Pasión 10 is built to sound great for the long haul.

FLEXIBLE INSTALLATION

As a member of the Pasión Series, which consists of five full-range speakers and a 12" subwoofer, the Pasión 10 provides venue owners flexible configuration options as it can be mixed and matched with other Pasión speakers.
